TO THE ASSISTANT COMMISSIONER FOR PATENTS

As below named inventor, I hereby declare that I qualify as an independent inventor as defined under 37 C.F.R. §1.9(c) for purposes of paying reduced fees under 35 U.S.C. §41(a) and §41(c), to the Patent and Trademark Office with regard to the invention entitled above and described in:

The Specification filed herewith. The Application identified above.

I have not assigned, granted, conveyed, or licensed and am under no obligation under contract or law to assign, grant, convey, or license, any rights in the invention to any person, company, corporation, partnership, or other entity.

I acknowledge the duty to file, in this application or patent, notification of any change in status resulting in loss of entitlement to small entity status prior to paying, or at the time of paying, the earliest of any fee, the issue fee, or any maintenance fee due after the date on which status as a small entity is no longer appropriate, as set forth in 37 C.F.R. §1.28(b)

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under 18 U.S.C. §1001, and that such willful false statements may jeopardize the validity of the Application, any Patent issuing thereon, or any Patent to which this Verified Statement is directed.
